Book A Virtual Care Appointment

Appletree Virtual Care

Don't forget!

Have your **OHIP health card** (or insurance information) and preferred pharmacy information on hand.

You can **book an appointment for someone else or a dependent**. If applicable, please use the patient's information when creating the profile, including their health card.

On the day of your appointment, have the following on hand:

List of medications

OHIP Health card

1. On your mobile device or computer, browse to: **appletreemedicalgroup.com**
   Or **SCAN** the **QR code** using your phone's camera (the website will pop up automatically).
2. Select the "**Book Virtual Care**" red button.
3. Click each drop-down option to select your **Insurance Coverage** (OHIP or NOT), the **Region** in which you reside (Ottawa or Greater Toronto Area), and the **Service** you are looking for.
4. Read and select the disclaimer on the screen, scroll down and select the "**Book Virtual Care Appointment**" blue button.
5. Select the **Doctor** of your choice. Review the doctor-specific requirements as they appear on the screen and ensure they can help you with your health concerns. Then, select your preferred appointment **Date** and **Time**.
6. Complete the **Patient Information** including first and last names, date of birth, gender, address, health card number (10-digit number and 2-letter version code) and pharmacy information.
   Note: To ensure accuracy, input your information manually rather than using auto-fill.
7. Click the consent button on the screen and click "**Book Now.**"
